

Curriculum vitae

Personal data

Merete Labriola, born 23rd November 1964, Danish

Key qualifications

Research focus has been on work and health in the broadest of terms, with the overarching themes being social inequality and vulnerable sub-populations. I have worked with themes within work disability prevention, occupational rehabilitation, social- and occupational epidemiology, and on associations between risk factors among adolescence for future health and work life trajectories.

Degrees

- | | |
|------|---|
| 2006 | Ph.D. Institute of Public Health, University of Copenhagen. Doctoral dissertation: Work environment factors associated with long-term sickness absence and return to work |
| 1999 | Master of Public Health, University of Copenhagen. |
| 1992 | Bachelor of Occupational Therapy, School of Occupational Therapy, Copenhagen |

Current and previous positions including experience in directing research

- | | |
|-----------|--|
| 2020 | Research professor, Worklife and Inclusion (WIN), Health, NORCE Norwegian Research Centre AS |
| 2019 Oct | Seniorresearch, Stress, Helse and Rehabilitation NORCE Norwegian Research Centre AS |
| 2019 Jan. | Consulting senior researcher at Center for Social Medicine, Frederiksberg Hospital |
| 2013-2018 | Associate professor 20 % at Section of Clinical Social Medicine & Rehabilitation, Institute of Public Health, University of Aarhus. Denmark |
| 2012-2018 | <u>Head of Unit</u> and Senior Researcher at unit of Occupational Rehabilitation, DEFACTUM, Central Denmark Region & Section of Clinical Social Medicine & Rehabilitation, Institute of Public Health, University of Aarhus. Denmark |
| 2010-2012 | Senior researcher at Danish Ramazzini Centre, Dep. of Occupational Medicine, Regional Hospital Herning, Denmark. |
| 2008-2010 | Senior researcher, International Research Institute of Stavanger, IRIS, Norway |

- 2008 Senior researcher, The Danish National Centre for Social Research, SFI. Denmark.
- 2007 -2008 Senior researcher, The National Institute of the Working Environment, Denmark.
- 2006 -2007 Researcher, The National Institute of the Working Environment, Denmark.
- 2003-2006 Ph.D student at The National Institute of the Working Environment, and Institute of Public Health Copenhagen University. Denmark
- 2001-2003 Researcher assistance in the research group "sickness absence" The National Institute of the Working Environment, Denmark

PI of projects

1. PI of The Working Environment Research Funded project "Work Role Functioning" in collaboration with Lego. Dept. of Occupational Medicine, Danish Ramazzini Centre, University Research Clinic, Herning, Denmark. Prof. Johan H. Andersen, and Institute of Public Health, University of Copenhagen, Denmark. Assoc. Prof. Thomas Lund.
2. PI of The Danish Adolescence cohort, entitled "The Future Occupation of Children and Adolescents cohort" in short the FOCA cohort is a large population-based cohort study that was established as a resource for research in order to study childhood factors and future educational and vocational trajectories in a life-course perspective.
3. PI of The Future Occupation of Children and Adolescents cohort (the FOCA-cohort) www.foca.dk in collaboration with Dept. of Occupational Medicine, Danish Ramazzini Centre, University Research Clinic, Herning, Denmark. Prof. Johan H. Andersen. Institut of Public Health, University of Copenhagen, Denmark. Assoc. Prof. Thomas Lund. Dept- of Sociology & Social Work, Aalborg University, Aalborg, Denmark. Assoc. Prof. Claus D. Hansen.
4. 2012-2018 Head of Research unit Occupational Rehabilitation at DEFACTUM, Central Denmark. Region, Aarhus, Denmark.
5. 2012-2018 PI of Hospital-based interventions for occupational rehabilitation of people on sickness absence do to back, neck or shoulder pain. Based at Spine Center, Diagnostic Center, Silkeborg Regional Hospital, Denmark
6. 2010-2010 PI and research coordinator for project " Young people's working environment - A mapping of the importance of the working environment for young people's health, choices of education and labor market attachment. The Vestliv cohort " www.Vestliv.dk
7. 2006-2018 IP of the first "Multidisciplinary Return to Work intervention" at The National Research Center for the Working Environment, Denmark

Membership of evaluation committees

- 2015 The Research Council of Norway: Member of the evaluation committee for three thematic priority areas: a) Young people's entry into and stability in working life. b) Participation of older workers in the labour market. c) Production, quality and impact of welfare services.

- 2010-2014 Member of the evaluation committee for the research program "FoU-programmet om arbetslivsinriktad rehabilitering" AFA Försäkring, Stockholm, Sweden
- 2010 Member of expert committee for evaluation of applications for FAS (Swedish Council for Working Life and Social Research). Stockholm, Sweden

Membership of research councils

- Participation in international research programs on Work Role Function (collaboration between institutions in Sweden, Norway, Spain, the Netherlands, Canada, Germany, Denmark) COST Proposal and Horizon 2020.
- Membership in academic and professional bodies: ICOH committee Work Disability Prevention and Integration. Nordic Work Rehabilitation network

Misc.

- 2019 Host and co-organizer of the fifth, international Work Disability Prevention & Integration (WDPI) conference. Odense, Denmark <http://www.wdpi2019.dk/>
- 2019 Initiator and organizer of seminar "Young adults at work" March 28/29 2019, Denmark International research collaboration between to research groups VICI – Young workers University of Groningen UMCG, The Netherlands, Department of Health Sciences and Research Centre for Youth and Employment (FOCA)
- 2010-2019 Co-initiator and co-organizer of Nordic labor-related rehabilitation. Rauland Norway 2010, Grenå Denmark 2012. Linköping, Sweden 2014, Reykjavik Iceland 2016, Oslo Norway 2019.

Invited scientific lectures

250+ invited scientific lectures in Denmark 2001- 2019

25+ invited scientific lectures abroad in Norway, Finland, USA, Canada, and Sweden

45+ scientific presentations at international scientific conferences

Previous experience teaching and course coordinating

- 2013-2018 Course coordinator of Bachelor Seminar. Work, Health and Wellbeing. BSc in public health science, 20 ECTS point seminar for undergraduate students, University of Aarhus, Denmark.

- 2016 Lecturer at Work Disability Prevention course. The target audience was Ph.D. students, post-doctoral fellows who are linked to the work disability prevention field. Teaching language English. Helsinki, FIN.
- 2010-2014 Assessor (Quality Assurance) of Masters Degree at the European Master of Occupational Science across universities. University College Zealand DK, Amsterdam University NL, Zurich University CH and Karolinska Institutet Stockholm, Sweden.
- 1998-2011 External lecturer at the European Master of Occupational Science, teaching language English. Master program outsourced in collaboration between University College Zealand DK, University of Brighton UK, Amsterdam University NL, Zurich University CH and Karolinska Institutet Stockholm S.
- 2008-2010 Course coordinator for the Modular “Work-Based Rehabilitation” Master in Rehabilitation at The University of Southern Denmark, 15 ECTS point.
- 2009 Lecturer at Phd. course on theories and models on sickness absence, University of Göteborg, Sweden.
- 2005- 2007 Co-organizer of Research School for PhD students GRASPH at the Department of Public Health, University of Copenhagen, Denmark
- 1998-2011 External lecturer for post-graduate student at the European Master of Occupational Science. Teaching language English. Master program outsourced in collaboration between University College Zealand DK, University of Brighton UK, Amsterdam University NL, Zurich University CH and Karolinska Institute Stockholm S.
- 1998-2001 Full-time lecturer at the University College Zealand, Physio- and Occupational therapy in Næstved, Denmark. Teaching subjects at undergraduate level: Health promotion, science theory and occupational health.
- 1992-2012 External lecturer for undergraduate students at three schools of Occupational therapy, Næstved, Aarhus, and Copenhagen. Denmark

Supervision/ Ph.D Supervision.

1998-2019 Supervision of 100+ bachelor students (pre-graduate) over the years, and 25+ master students from Univ. of Copenhagen, Univ. of Southern Denmark and Aarhus Univ. Denmark

Main supervisor for 4 Ph.D. scholars and Co-supervisor for 3 Ph.D. scholars:

Member of 17 Danish and International scientific boards for assessment of PhD dissertations at NTNU, Trondheim Norway. University of Bergen, Norway. University Copenhagen, Denmark, University Pompeu Fabra, Barcelona, Spain, University of Oslo, Norway, University of

Southern Denmark, Roskilde University, Denmark, University of Oulo, Finland, Aarhus University, Denmark, University of Southeast, Norway
